

Hi I'm Alyssa Edington

About Me

With twin brothers and two cats, there is never a dull moment at my house. While it can be crazy, I love my family with all my heart. But I also take pride in my school work. With the top GPA of my class, I tend to be described as a workaholic by my friends.

Fun Facts!

- I love country music
- I ride and compete with horses
- In the future, I hope to become a medical examiner

My Qualifications

- 3 Year Student Council Member
 - 2 Time Decorations Committee Chair
 - 3 Year Graduating Class Representative
- 3 Time Bowsher DECA Graduating Class President
 - District Advisory Board Member
- Junior Class Advisory Vice President
- Science Club President
- Freshman First Day Student Ambassador & Tour Guide
- 2 Year NHS member

Why Do I Want To Be a State Officer?

DECA has inspired me in more ways than I thought were possible. In fact, I feel as if I am constantly thinking about DECA - What am I going to wear to competition? Will I make it to CDC this year? What about ICDC? The one question I never thought I would be thinking is, "Will I become an Ohio DECA State Officer?" As someone who tends to stay in their comfort zone, applying to become an officer was way out of this zone. Over the past few years, I have been making it a goal of mine to get comfortable being uncomfortable, and I believe this is the first step. Becoming an Ohio DECA State Officer would allow me to do what I love - help and inspire others. It will also allow me to use my creativity to help the team continue to inspire new, and old, DECA members across the state. We all want to "Be The One" to change DECA, but I believe change is best accomplished as a team. While I have new ideas to bring to the organization, it is important to know that the continued growth of Ohio DECA requires the diversity of a team.
