### MY DECA STORY

Toward the beginning of my Freshman year, DECA was introduced to me by the chapter's president in my Business class. At the time, I was completely unaware of what DECA was; nor was I knowledgeable about the business world. However, after some persuasion, our chapter president convinced me to join the club and compete in the Entrepreneurship Series event. After finding success at the district level and making lifetime memories at Ohio CDC and DECA ICDC, I fell in love with the organization and got to truly experience the difference that DECA can make in one's life. DECA has blessed me with remarkable opportunities to lead, build relationships, and make a difference. I am proud to be able to say that I am ALL IN for Ohio DECA.
